Summit Tripods

Deluxe Tripod 10' \$349.00

Designed for elevated hunting in thick brush, sparse vegetation or anywhere else you can't hang a stand. Our sturdy new Tripod is an impressive 10' high at the platform, yet provides rock-solid stability for both security and comfort. Built from powder-coated steel with a spacious steel mesh platform and integral ladder, the comfortable swivel seat allows a 360-degree view. Camouflage railing pads serve as gun rests while dampening sound. The new Tripod is also very easy to assemble in the field. [SKU: S82058](#)

Deluxe 2-Man Tripod \$429.00

Take all your gear, and a friend, in this Two-Man Tripod Stand from Summit®! This three-legged behemoth carries up to 500 lbs. of rifles, ammo, binoculars and anything else you might want up in the air. Features padded, swiveling seats too, for 360° range of motion when you're dialed in and ready to take down a BIG buck! Easy-to-climb, sturdy rungs carry you up to the spacious 2,350 sq. in. platform that's got plenty of room for you to stand and shoot, or simply sit in comfort! [SKU: S82063](#)
